Drywall T-Square
#01010

TOOLPRO
54 in.
Drywall T-Square
#01020

- Blades secured by 5 alloyed steel rivets and 2 steel locator pins
- Overall T length is 22 in.
- Bright yellow color is easy to find on the jobsite
- Available in 48 in. & 54 in. sizes to fit any width of material

- Rugged construction 3/16 in. heat-treated aluminum blades
- Overall blade length is 1/16 in. short to ensure blade rests on the edge of material and not on the floor
- Blade ruled in both directions for easy measurements from either end
